**Paws & More Animal Shelter** is a private, non-profit, adoption-guarantee shelter serving all residents of Washington County. The Shelter takes in approximately 600 animal each year, with a high adoption rate, that spays/neuters, vaccinates, and behaviorally tests all animals before adoption. The Shelter is always in need of volunteer and foster homes, and operates primarily from adoption fees, donations, grants and fundraising activities, receiving only a small portion of the annual budget from city/county government donations. Please consider designating an amount to your water bill by filling out the form with your signature.

# PAWS & More Capital Campaign

## Who We Are:

- For more than 40 years, PAWS & More has provided animals with shelter and compassionate care in Washington County and the surrounding areas.
- We've grown from serving 400 animals a year to over 1,000 animals a year, with a need for serving even more.

## What We're Doing, and Why:

- We recently learned that our foundation has deteriorated to the point that our aging building isn't worth the major cost to repair it.
- We are undertaking our largest-ever fundraising endeavor, because we believe a new facility is the most fiscally and organizationally responsible solution.
- A modern facility will allow us to practice the most current, safe, and effective methods of animal care. Moving from 4,000 to 8,000 square feet will allow for:
  - appropriate isolation of sick animals
  - excellent drainage for disease control
  - a storm shelter
  - adequate storage
  - an enclosed garage for the safe unloading of stray animals
- A larger building also allows us to serve the growing needs of our region.

## Where We're Going, and When:

- We're looking for a 2-3 acre property in Washington County.
- Our goal is to break ground in July 2024, and we expect construction to take 12 months.

## How You Can Help:

- You can help us make the dream of a new shelter a reality through a donation to our Growth Fund via:
  - Check or money order: Make your check payable to PAWS & More Growth Fund.
  - Campaign Pledge: Complete a simple form indicating your pledge and the time frame for fulfillment.
  - Monthly Recurring Donation: Fill out a simple form and we will initiate a monthly donation to come directly from your bank account. It is secure and makes ongoing giving very easy.
- We can set up a time to go over our project in more detail with our Campaign Chair.
- You can visit our website ([www.pawsandmorewashington.org](http://www.pawsandmorewashington.org)) or give us a call at (319) 653-6713 for more information.

**Our goal is to build a modern, efficient building to more effectively serve the animals in our care and the people in our greater community. We're so thankful for all the support we've had so far and are confident that together we can**

**Bring PAWS Home!**
