

An Invitation to Participate

...in Designing Your Community

Riverside is participating in the 2022 Community Visioning program. The goal of the program is to develop a landscape plan that will graphically illustrate the vision for Riverside. You are invited to see the new ideas created this summer.

Some of the areas that have been addressed in these plans include Hwy 22/downtown improvements, Ella Street intersection improvements, boat launch amenities, and parking/traffic flow improvements at the elementary school.

Please plan to attend on September 11 from 10:00am-2:00pm at the shelter house in Hall Park during Shop the Park. This is your opportunity to discuss the proposed projects with local committee members, the design team, and Trees Forever staff.
