## Reminder

By the time you receive this newsletter, the threat of a major snowfall is hopefully behind us. With that being said, with all of the previous snowfalls, there is a significant amount of snow piled in City ROW and on private property. As a reminder, it is unlawful to push snow from the sidewalk or private property onto city streets or alleys. City crews are working diligently to curb back the streets and remove larger piles of snow. As they curb back, some of the snow may end up back onto sidewalks and driveways. All sidewalks are to be cleared within 24 hours.

If you have a fire hydrant  
take a minute and clear a

located near your property, please  
path to the hydrant.
