Steve Schmidt, APEX Construction presented plans for (5) two-bedroom, and (6) three-bedroom townhomes on lots 2 through 5 on Galileo Drive. Single family homes would be on lots 1 and 6. 2 bedroom units would retail at \$200,000 and 3 bedroom at \$245,000. Multi-family housing would require zoning ordinance change from R-1 to R-3.

Committee discussed options and received comments from Cherry Lane homeowners, Kevin Meller and Jay Stuelke. Kirkwood asked if this would be "spot" zoning, having two different zones on the same street. Schneider commented on the need for this type of housing in our community. Schneider asked Schmidt about the possibility of moving up the development of the multi-family units in phase two of the Northern Heights Development.

Westfall moved to recommend to Council to decline zoning request from APEX for multi family housing on Galileo Drive. Second by Kirkwood, passed 5-0.

69.10 PARKING POLICY DURING SNOW EMERGENCY. After snowfall of three or more inches, when announced, the snow emergency policy requires "odd/even" parking along the designated routes where there is signage. When in effect, parking is prohibited on the even-numbered side of the street on the even days of the month for the first 24 hours and on the odd-numbered side of the street on the odd days of the month for the second 24 hours. The parking restrictions are normally enforced from 3:00 a.m. until the snow is removed, but start times may vary. The City also has Snow Emergency routes, where there is no parking until the snow has stopped and the road is clear of snow and ice. Proclamation of the snow route parking policy will be announced in advance through area news media. Vehicles violating the restrictions will be ticketed, fined, and/or towed. The minimum fine will be \$25.00; for repeat violators the Council may increase the fine. The City has the right, power, and authority to determine the length of time that parking is not allowed on the streets for snow removal.

69.11 COMMUTER PARKING. All commuter and car pooling persons shall park their vehicles in the parking lots which are furnished by the City. The provisions of this section do not apply during any special events.

69.12 CONTROLLED ACCESS FACILITIES. Parking restrictions on controlled access facilities are as specified in Chapter 140 of this Code of Ordinances.
