In the Fall of 2020, the City of Riverside formed a Comprehensive Capital Park Improvement Plan. The committee was comprised of City Council members, City Staff, Planning and Zoning Committee members and volunteer citizens. Through several meetings a list of improvements was compiled, and narrowed down to the top five projects. First on the list from the group was improvements to Railroad Park. The park is located on HWY 22, very visible, and is a favorite playground location for citizens and visitors alike. It is on the east end of town directly across the street from the Voyage Home History Center and Museum. The area is well shaded from the summer heat, and has a nice shelter with restrooms and water fountain. The City plans to replace the surface, and add more play items.

Explain how these projects will benefit residents of your city.

Railroad Park improvements enhancements has been a topic of discussion for some time. The addition of accessible equipment and surface enhancements, children in the community and visitors will have a safe place to run and play, free from injury with the "soft fall" surfacing. Additional equipment will include but not limited to handicap swings and a "10-spin" structure. Patrons will enjoy not having to deal with sand in their eyes, hair and clothing. The current sandy surface can also get very hot, and may hide unseen items that can cause injury to a child. Riverside has been quit

RE: WEDG Director Activity Update

Date: Monday, January 25, 2021

Greetings to each of you. I hope this report finds you healthy and happy. I was fortunate to have these meetings and opportunities this past week. Here's a summary of my WEDG activities:

Advanced Manufacturing Sector Board.. This meeting was virtual and very well attended. It was a special presentation on an Industry Partnership with the Anamosa Prison on CNC Needs. The Iowa Department of Corrections is establishing a CNC apprenticeship to prepare men for this high demand career after they're released. The DOC is looking to partner with local manufacturers to develop a training curriculum and to make or assist with making CNC parts. We also discussed Homes for Iowa and Advanced Machining Apprenticeship programs. Happy to see WEDG board member Mike McVey in attendance! <https://www.iaprisonind.com/store/pg/156-Contact-Us.aspx>

Website... constantly updating and blogging. Please "like, follow or friend" WEDG on LinkedIn, Instagram, Facebook and Twitter. Let's get the word out about fabulous Washington County!

Smart Solutions... I'm continuing to meet with Bob and Clark one to two times/week now. They just completed transfer to the new CRM system. I'll continue exploring. In addition, I began training on the LOIS system. I will also update the link on our website as we begin to update the properties available. Some very positive, exciting activity on 2 major facilities here in Washington. Stay tuned!

PDI Legislative Update: Craig Patterson (Lobbyist) gave us an update on issues this session. Broadband expansion, childcare options, budgeting and redistricting to name a few. Hopeful for doubling of Workforce Housing set aside for small communities, more in Workforce Training Dollars and further tax cuts. The Governor has paused the Invest in Iowa Bill. Manufacturing 4.0 bill coming out this week. Brownfield/grayfield reauthorized for 10 years and doubled!

Washington County Home Buyers Assistant Program... I've been working with Paula Mitchell of ECICOG to promote this. Five eligible applicants will be chosen. More than 5 have already applied. Awaiting word on formally accepted status.

COUNCIL PACKET

Property Developer meeting...met with Brent Hinson, Sarah Grunewaldt and prospective land developer on possible housing developments coming soon.

ECICOG Budget Committee meeting...had an in depth discussion about the proposed FY 22 Budget. CARES Act has definitely affected the budget.

Meeting with Jacob Thorius, County Engineer...had a great discussion with Jacob about collaborations with WEDG now and in the past. Will work closely with him to find grant opportunities for the betterment of Washington County.

Annual Banquet Meeting...WEDG, Main Street & Chamber boards have voted to have our Annual Dinner hybrid style, and available both virtually and host watch parties at 5 different restaurants in Washington County. The committee picked Riverside Casino (Ruthie's or Show Lounge), Kalona Brewing Company, Lebowski's, JP's & Cafe Dodici. We will have tables spaced at least 6 feet apart. Menu and registration details to come soon. There will be an auction with a community gift basket, containing fabulous local items! The dinner is set for Monday, March 8th and more details will be sent out soon with registration information. We plan to have one representative from each organization (WEDG, Main St & Chamber) stationed at each location. The committee would like to have these 3 volunteers at each location be responsible for 1 job each including, Photography, Host/Raffle Sales, Technology. Please let Alisha Davis know if you are available and can help on this evening, we would like to see all of the boards attend and help out if possible. alisha@washingtioniowa.org
