COUNCIL PACKET

CITY OF RIVERSIDE

COMPUTER/CELL PHONE USE POLICY

1.0 OVERVIEW

It is the intent of the City of Riverside to provide computer and cell phone access for employee use for business purposes. Employees may be offered a stipend for use of their personal phone, or a city owned cell phone may be issued. To maintain productivity, work computers will be provided at city hall, the city shop, and the fire station. When it becomes necessary, laptops or iPads may also be provided by the City. Cell phones and computers are assigned to city staff for the duration of their employment with the City of Riverside.

2.0 USE OF CITY OWNED EQUIPMENT/CELL PHONE

All employees issued City of Riverside computers, laptops, iPads, or cell phones need to use these devices for City business only. Staff are responsible for care and good judgment when using any City owned device. If an employee notices any issues or suspects a virus, contact the City Administrator immediately. The City Administrator will immediately contact the company responsible for the security of the device and software.

While at work, employees are expected to exercise discretion in use of personal cell phone and electronic communication devices. Employees should limit personal calls during work hours, regardless of the phone use, as it can interfere with employee productivity, safety and may be distracting to others. Employees are prohibited from using any city owned device in any illegal, illicit, or offensive manner.

Drivers shall comply with all federal, state, and local laws and regulations regarding the use of cell phones or electronic communication devices while operating city equipment. No employee may use a cellphone or communication device while operating any City vehicles, equipment, or machinery. Sending or reading text messages, e-mails, viewing videos or inputting data in cell phones or laptop computers or navigation systems are prohibited while driving. Use hands free option if available for incoming calls. Employees who are charged with traffic violations resulting from the use of a cell phone while driving will be solely responsible for all liabilities that result from such actions.

City owned devices are not to be altered in any way, including but not limited to the operating system or software without the approval of the City Administrator.

All emails, text and phone messages for City business is subject to Open Records Law.

3.0 Antivirus Summary

Each device on a network will have a City business Antivirus client installed. Additional to including antivirus, there will also be antispam, web security and ransomware protection.

4.0 Patch Management

Microsoft and common 3rd Party applications are updated automatically minimally on a bi-weekly basis from a central repository via an installed remote monitoring and management (RMM) application installed on each network device.

COUNCIL PACKET

5.0 Backup & Disaster Recovery

A managed service offering in which backup software creates an image backup of the Server to a standalone NAS device occurs nightly and is monitored daily. Additionally, a copy of the server image file is copied offsite nightly to an Iowa Solution Data Center. Local retention is set to 180 days and offsite retention is set to 3 days. Individual workstation backups are currently not performed. Please use the shared drive versus the C drive on each workstation to ensure backup of data.

Staff User Agreement:

I hereby agree to comply with the statements and expectations outlined in this document and to honor all relevant laws and restriction. I further agree to comply with the City's Computer Usage Policies and Guidelines as currently adopted and as may be amended from time to time.

RESOLUTION #050321-03

**RESOLUTION TO APPROVE THE CITY OF RIVERSIDE
PASSWORD POLICY**

WHEREAS, the City of Riverside City Council is in full support of a policy to protect the security of the network, protect data integrity, and protect computer systems,

WHEREAS, this policy is to protect network with strong passwords, and establishing minimum time between changes,

THEREFORE, BE IT RESOLVED, the City of Riverside City Council, hereby approves this attached Password Policy.

Moved by Councilperson _____, seconded by Councilperson _____, to approve the foregoing resolution.

COUNCIL PACKET
CITY OF RIVERSIDE
Password Policy

1.0 Overview

All employees and personnel that have access to organizational computer systems must adhere to the password policies defined below to protect the security of the network, protect data integrity, and protect computer systems.

2.0 Purpose

This policy is designed to protect the organizational resources on the network by requiring strong passwords along with protection of these passwords and establishing a minimum time between changes to passwords.

3.0 Scope

This policy applies to all personnel who have any form of computer account requiring a password on the organizational network including but not limited to a domain account and e-mail account.

4.0 Password Protection

1. The City will provide training on how to protect passwords.
2. Employees will follow password requirements and will protect their passwords.
3. If an employee feels their password has been compromised, notify the administrator immediately.

5.0 Password Requirements (subject to change)

Minimum Length - 10 characters recommended

1. Minimum complexity - Passwords should use three of four of the following four types of characters:
 1. Lowercase
 2. Uppercase
 3. Numbers
 4. Special characters such as !@#\$%^&*(){}[]
2. Passwords are case sensitive and the user name or login ID is not case sensitive.
3. Maximum password age - 180 days

6.0 Enforcement

Since password security is critical to the security of the organization and everyone, employees that do not adhere to this policy may be subject to disciplinary action up to and including dismissal.

ACKNOWLEDGEMENT OF RECEIPT OF PASSWORD POLICY:

I acknowledge that I have received and reviewed the password policy for the City of Riverside.

Iowa, adopted by City Council on _____, 2021. I understand the terms of the

Policy and will abide by what is set forth.

RE: Request Proposals for Annual Examination Services in the City of Riverside

The City of Riverside is seeking Requests for Proposals from selected auditing firms for annual examination services and complete audit as needed. Riverside is a city of approximately 1,000 residents and has an annual budget of \$3.1 million.

The City is seeking a long-term arrangement with the selected firm, with the firm assigning a primary Auditor and a secondary Auditor to work with the City in a prompt and efficient manner.

The request for proposals should include but not be limited to:

- Name of firm, address, telephone number, email address.
- Years in business, and office closest to the City of Riverside if more than one office.
- Experience working with a municipality that includes:
 - Annual examinations
 - Complete Audit
- A comprehensive approach to the proposed work and detailed schedule showing completion.
- Summary of firm's ability to provide personnel to meet the State of Iowa timeline.
- Estimated fee structure and schedule anticipated to perform the examination.
- Experience with State of Iowa Regulations regarding annual examinations

The selection of firms to interview by Council will be based on:

- Qualifications of firm and personnel assigned to the project.
- Ability of firm to meet annual examination needs.
- Reference checks from previous municipalities.
- Experience working with municipalities.
- Examination Schedule

The City is open to negotiating a per-hour payment arrangement for day-to-day work performed, as well as a negotiated formal contract for the entire examinations. The City reserves the right to request in-person interviews with the staff to be assigned by the firm prior to making an award of contract. It is expected that the selected firm would begin an examination of the City of Riverside 2022.

Requests for Proposals are due by mail or in person at City Hall, PO Box 188, 60 N Greene Street, Riverside, no later than Friday, May 28th, 2021 at 4:30 p.m. For questions regarding this letter contact City Administrator Christine Yancey at 319-648-3501, or cityadmin@riversideiowa.gov.

Respectfully,

Christine Yancey
City Administrator
City of Riverside

COUNCIL PACKET

City of Riverside Administrator Report May 3, 2021

- Staff meetings on Monday at 8:30
- Payroll review
- Agenda prep
- Bi-weekly phone meeting with Mayor
- Phone meetings with KCII
- E-mails to set up interviews for engineers
- Checked festival participation in Washington, Kalona and Wellman
- Walking tour of parks
- IMFOA meetings
- Budget Amendments
- Water shut offs
- Updates to website
- Setting up engineer interviews
- Emails

Public Works:

- Park bathrooms-cleaning twice daily
- Door repairs to Hall Park bathrooms damaged in the wind
- Fixed leak at Veteran's Park, filled fountain
- Helped with removal of pump
- Sprayed playgrounds
- Repaired frost boil on Boise Court
- Trimmed parks
- Lowered flags
- Contacted DOT on washout on Hwy 22
- Cleaned boat ramp
- Delivered council packets
- Vehicle maintenance
- Hauled rock to shop to maintain supply
- Training on street sweeper at Kalona
- Tilled up low spot in Railroad Park and seeded
- Getting bids for concrete
- Tree donation from Casey's
- Removed and put away plows, sanders
- Preparing spot for leaf drop off

NEWS RELEASE

FOR RELEASE

April 27, 2021

Contact: Ernest Ruben
515/281-5834

Auditor of State Rob Sand today released an agreed-upon procedures report on the City of Riverside, Iowa, for the period July 1, 2019 through June 30, 2020. The agreed-upon procedures engagement was performed pursuant to Chapter 11.6 of the Code of Iowa.

Sand reported twelve findings related to the receipt and disbursement of taxpayer funds. They are found on pages 7 through 9 of this report. The findings address issues such as a lack of segregation of duties, the utility system is not accurately reconciled, disbursements exceeding budgeted amounts and business transactions that may represent a conflict of interest. Sand provided the City with recommendations to address each of the findings.

Nine of the twelve findings discussed above are repeated from the prior year report. The City Council has a fiduciary responsibility to provide oversight of the City's operations and financial transactions. Oversight is typically defined as the "watchful and responsible care" a governing body exercises in its fiduciary capacity.

A copy of the agreed-upon procedures report is available for review on the Auditor of State's web site at <https://auditor.iowa.gov/audit-reports>.

Officials of the City of Riverside
Riverside, Iowa

Dear Honorable Mayor and Members of the City Council:

I am pleased to submit to you the agreed-upon procedures report for the City of Riverside, Iowa, for the period July 1, 2019 through June 30, 2020. The agreed-upon procedures engagement was performed pursuant to Chapter 11.6 of the Code of Iowa and in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards.

I appreciate the cooperation and courtesy extended by the officials and employees of the City of Riverside throughout the agreed-upon procedures engagement. If I or this office can be of any further assistance, please contact me or my staff at 515-281-5834.

Sincerely,

Auditor of State's Independent Report on Applying Agreed-Upon Procedures

To the Honorable Mayor and Members of the City Council:

We performed the procedures below, which were established at Iowa Code Chapter 11.6, to provide oversight of Iowa cities. Accordingly, we have applied certain procedures to selected accounting records and related information of the City of Riverside for the period July 1, 2019 through June 30, 2020, including procedures related to the City's compliance with certain Code of Iowa requirements identified below. The City of Riverside's management, which agreed to the performance of the procedures performed, is responsible for compliance with these requirements and for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We observed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We obtained an understanding of the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We observed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and observed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We scanned City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We observed the City's fiscal year 2020 Annual Financial Report to determine whether it was completed and accurately reflects the City's financial information.
7. We scanned depository resolutions, the City's investment policy and reporting of unclaimed property to the State of Iowa to determine compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa.

COUNCIL PACKET

8. We scanned debt, including general obligation and revenue bonds/notes, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
9. The City had no TIF.
10. We traced selected receipts to accurate accounting and consistency with the recommended COA.
11. The City had no voter approved levies.
12. We traced selected disbursements to proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
13. We traced transfers between funds to proper authorization and accurate accounting and determined whether transfers were proper.
14. We traced selected payroll and related transactions to proper authorization and accurate accounting and determined whether payroll was proper.
15. We observed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various findings and recommendations for the City. Our findings and recommendations are described in the Detailed Findings and Recommendations section of this report. Unless reported in the Detailed Findings and Recommendations, items of non-compliance were not noted during the performance of the specific procedures listed above.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on specific accounting records and related information of the City, including compliance with specific Code of Iowa requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is to report, in accordance with Chapter 11.6 of the Code of Iowa, certain agreed-upon procedures and the resulting findings and recommendations pertaining to selected accounting records and related information of the City, including the City's compliance with certain Code of Iowa requirements. This report is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Riverside during the course of our agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

Ernest H. Ruben, Jr., CPA
Director

April 14, 2021

Detailed Findings and Recommendations

COUNCIL PACKET

City of Riverside

Detailed Findings and Recommendations

For the period July 1, 2019 through June 30, 2020

- (A) Segregation of Duties – Management is responsible for establishing and maintaining internal control. A good system of internal control provides for adequate segregation of duties so no one individual handles a transaction from its inception to completion. In order to maintain proper internal control, duties should be segregated so the authorization, custody and recording of transactions are not under the control of the same employee. This segregation of duties helps prevent losses from employee error or dishonesty and maximizes the accuracy of the City's financial statements. Generally, one individual has control over each of the following areas for the City:

- (1) Accounting system – performing all general accounting functions, including journal entries, having custody of assets and controlling all data input and output.
- (2) Cash – handling, reconciling and recording.
- (3) Investments – recordkeeping, investing and custody of investments.
- (4) Receipts – opening mail, collecting, depositing, recording and reconciling.
- (5) Utilities – billing, collecting, depositing, posting, entering rates into the system and maintaining detailed accounts receivable records.
- (6) Long-term debt – recordkeeping and reconciling.
- (7) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
- (8) Payroll – recordkeeping, preparing, signing and distributing.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

- (B) Bank Reconciliations – Bank reconciliations were not reviewed timely by an independent person. Additionally, one bank reconciliation observed had no independent review performed.

Recommendation – To improve financial accountability and control, bank reconciliations should be reviewed timely by an independent person and the review should be documented by the initials or signature of the reviewer and the date of the review.

- (C) Reconciliation of Utility Billings, Collections and Delinquent Accounts – Although the City attempted to reconcile utility billings, collections and delinquent accounts starting in January 2020, the reconciliation process was not complete because the reconciliation did not determine whether the ending total monthly outstanding balance was accurate. Also, there is no evidence the utility reconciliations are being reviewed by an independent person.

Recommendation – The City should establish procedures to ensure reconciliations of utility billings, collections, delinquent accounts and other reconciling times are accurate and reconciled to a listing of outstanding accounts. The City Council or other independent person designated by the City Council should review the reconciliations and monitor delinquent accounts. The review should be documented by the signature or initials of the reviewer and the date of the review.

COUNCIL PACKET

City of Riverside

Detailed Findings and Recommendations

For the period July 1, 2019 through June 30, 2020

- (D) Certified Budget – During the year ended June 30, 2020, disbursements exceeded the amounts budgeted in the general government and capital project functions before amendment. Disbursements at year end exceeded the amount budgeted in the public safety function. Chapter 384.20 of the Code of Iowa states, in part, “public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

- (E) Business Transactions – Business transactions between the City and City officials or employees which may represent conflicts of interest are detailed as follows:

Name, Title and Business Connection	Transaction Description	Amount
Becky LaRoche, City Clerk, Owner of Riverside History Center's building	Rent	\$ 17,700

In accordance with Chapter 362.5(3)(k) of the Code of Iowa, the above transactions may represent a conflict of interest since total transactions were more than \$6,000 during the fiscal year and the transactions were not competitively bid.

Recommendation – The City should consult legal counsel to determine the disposition of this matter.

- (F) Journal Entry Approval – Journal entries are not reviewed and approved by an independent person.

Recommendation – An independent person should review and approve journal entries. The approval should be documented by signing or initialing and dating the journal entries.

- (G) Solid Waste Rates – While the City attempted to increase solid waste rates in October 2019, the increased rates were not approved by ordinance as required by Chapter 384.84 of the Code of Iowa.

Recommendation – All utility rates should be approved by ordinance as required by Chapter 384.84 of the Code of Iowa.

- (H) Monthly City Clerk's Report – The City Clerk's monthly reports to the City Council did not include a comparison of actual disbursements to the certified budget by function.

Recommendation – To provide better control over budgeted disbursements and the opportunity for timely amendments to the certified budget, the monthly City Clerk's reports should include comparisons to the certified budget by function.

COUNCIL PACKET

City of Riverside

Detailed Findings and Recommendations

For the period July 1, 2019 through June 30, 2020

- (I) Receipts – In May 2020, the City incorrectly recorded \$1,863 of utility excise tax as property tax rather than other city tax.

Recommendation – The City should implement procedures to ensure receipts are properly recorded and reported.

- (J) Questionable Disbursements – In accordance with Article III, Section 31 of the Iowa Constitution and an Attorney General's opinion dated April 25, 1979, public funds may only be spent for public benefit. We noted the following disbursement which we believe may not meet the requirements of public purpose as defined in the Attorney General's opinion since the public benefits to be derived have not been clearly documented.

Paid to	Purpose	Amount
Kieck's Career Apparel and Uniform	Fire department fleece jackets	\$ 1,550

According to the opinion, it is possible for such disbursements to meet the test of serving a public purpose under certain circumstances, although such items will certainly be subject to a deserved close scrutiny. The line to be drawn between a proper and an improper purpose is very thin.

Recommendation – The City Council should determine and document the public purpose served by this type of disbursement prior to authorizing any further payments. If this practice is continued, the City should establish written policies and procedures, including the requirements for proper documentation.

- (K) Transfers – Rule 545-2.5 of the Iowa Administrative Code requires transfers between funds be passed by resolution and include a clear statement of the reason or purpose for the transfer, the name of the affected funds and the dollar amount to be transferred. A transfer from the General Fund to the Capital Project Fund was not approved by resolution, as required.

Recommendation – The City should comply with Rule 545-2.5 of the Iowa Administrative Code.

- (L) Unclaimed Property – Chapter 556.11 of the Code of Iowa requires each City to report and remit obligations, including checks, outstanding for more than two years, to the Office of Treasurer of State annually. The City voided four outstanding checks older than sixty days rather than remit them to the Office of Treasurer of State, as required.

Recommendation – Outstanding obligations including checks should be reviewed annually and items over two years old should be remitted to the Office of Treasurer of State, as required.

To: Mayor and Council

Re: Report from IMFOA Conference April 22-23, 2021

To begin my update, thank you for approving my attendance at this conference. These meetings provide legislative and procedure updates that are very beneficial to keep the City in compliance with all new requirements.

The agenda was as follows:

- **Let's Get it in the Open.** The Iowa Public Information Board gave an overview of Open Meetings, Public Records, and the IPiB Act, Pre-COVID and going forward. They highlighted making sure your city can hold electronic meetings, and that citizens can access them if they do not have the electronic capability. Government Transparency was the main topic. As far as Public Records, one thing I noticed was that citizens have the right to examine a public record without charge, but the record needs to stay in the physical possession of the custodian, and not leave the room. Citizens may also take photographs of the records versus paying for a copy. All requests for public records must be in writing. There is not a requirement to post minutes on a website.
- **Where's the Money Coming From?** MSA Professional Services moderated a round table like discussion on how to prepare for pursuing grants in a competitive funding environment. Having your project "shovel ready" with all studies or reports completed goes a long way in the process. The steps to be shovel ready and shovel worthy are use GIS information, review your CIP, have a facilities plan, update your comprehensive plan, modernize park plans, create a strategic plan, and develop a road improvement prioritization plan. Make sure to get the public involved in the planning.
- **Payroll Forms and More.** Hansen, PC gave an overview of the tax code, changes to the W-4 form, and how a simple form is now several pages long and requires more information.
- **The 3rd Degree with Mickey.** Everyone could ask questions, which were all over the board. There were several questions on the recent conversations on property tax reform and how this would affect the city. There was also discussion on the American Rescue Plan allocations, and when the cities would be notified of how much they would receive and how they are to be spent.
- **Legislative Update.** There were three house files that passed; city can't regulate the weapons carry permit, the Street Financial Report is now due 12/1 versus 9/30, and there are now limits to zoning regulations for natural gas or propane in the city. Cities can prohibit firearms on city property, but they would be required to provide adequate screening and security if they do so. Bills in the high priority state are the backfill phase out, which would remove the state backfill the tax reduction for commercial and industrial, and TIF, which would take those cities that have unlimited TIF down to 20 years for slum and blight. Other high priority bills are the cost of redacting public records may be limited to \$500, and a public safety proposal that would require a payout of all sick leave to those in public safety on retirement. Census number will be out in September. There is also a push to get the rules out for the American Rescue Plan to cities.
- **Excel Tips and Tricks.** DMACC provided a quick basic and intermediate overview of excel. I am hoping to practice some of these soon.
