

PAWS & More Vaccine & Microchip Clinic

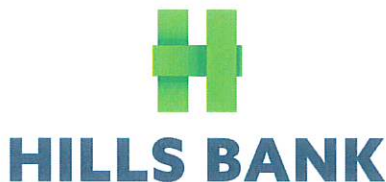

Join us on May 11th from 2-4 pm
at the Washington County Fairgrounds
in the Multi Species Livestock Barn

- Vaccines and microchips will be offered for a Free Will Donation and are intended for residents with financial barriers to services
- Clinic will be open to Washington County residents only and while supplies last (100 vaccines and microchips available)
- Rabies vaccine required, unless proof of current vaccination is provided
- Elective Distemper/Parvo vaccination and microchips available
- Free nail trim coupon from LaundroMutt

PLEASE NOTE: Friendly dogs only. If you need assistance with a dog that can not attend this event, call us at 319-653-6713 to make special arrangements.

We're grateful for our sponsors of this community event!
